- Decision making and problem solving
- Building highly effective teams
- Time management
- Test review and test-taking
- Stress management
- Note-taking
- Networking
- Leading with your head and heart

## Fast Facts

- We know your learning experience is more than just a GPA, SAT score, or title in a student group. Our institute will teach you a combination of learning and leadership skills so you can thrive in college and beyond.
- An institute to empower high school and college students to **learn, imagine, believe, and lead**
- A two-day institute, 8:30 am to 5 pm
- \$750 registration fee (includes course materials, a student workbook, breakfast, lunch, and snacks)
- Small seminar-sized course taught by Ivy League students or graduates
- Unrivaled curriculum that combines tips from successful Ivy League students with effective learning theories and practices

***Enrollment is limited, so register online today!***
